June Conferences

We helped train new missionaries this month at our New Personnel and Pre-departure Orientations. Our co-worker Pat helped prepare an Indian meal for them one night! It is an honor to help prepare new workers dedicated to sharing the good news with least-reached peoples in Turkey, France, Saudi Arabia, the Philippines and other locations.

Women of the Harvest

Women of the Harvest, a ministry to missionary women, asked Sue to speak at their fall retreat in Goa, India. One hundred missionary women will come to be refreshed, encouraged and equipped. Please pray for Sue as she prepares messages from scripture to share with them. Pray also for God to provide the \$2,900 necessary for her participation. Each person who serves these women is a volunteer and raises the funds needed to attend. If want to give, you can send a donation to Christar with a note that it is for Sue to speak at the WOTH retreat. Thanks for praying about this with us!

Future plans

We look forward to having our whole family together for vacation in Tennessee July 12-19. It is a blessing that all our kids were able to arrange time off for this week. Some of Sue's extended family will be there, too.

We are still waiting to hear about our business registration in India. After we receive it we can apply for five-year business visas. Continue to pray for this process. If all goes well, we'll head back to India at the end of July. Then we will look for a place to live and begin to furnish it.

We expect to do a fair amount of traveling this fall. In September, Lord willing, we will travel around the Middle East. Don will attend his last JETS board meeting. We then plan to visit workers in Jordan and the Arabian Peninsula. In October Sue will be in Goa, India for the women's retreat. In November we will participate in the Christar International Conference which will be in Thailand. The purpose of the event is to develop a five-year strategic plan for the mission.

Family news

A new Eenigenburg is on the way! Mike and Jayme told us we can expect another grandchild at the end of January. We are excited about this new addition.

With deep gratitude for you and your partnership with us in ministry,

(If you would like to help us save on postage by receiving our letters via email, please contact us at the email address at the right.)

Don & Sue

Pray for:

1. Wisdom in carrying out our various duties.
2. Business registration and visa applications.
3. God's blessing through the book *Expectations and Burnout*.
4. Good time with family this summer.
5. Funding for Sue's event with Women of the Harvest.
6. Our teams to be fruitful in planting churches among more of the least-reached.
